

## **CSPA Judging Committee**

### **Report to the 2020 CSPA AGM**

The Committee is responsible for any and all aspects of judging, including the Competition Rules (PIM 4B), the Judges Rating Program (PIM 4E) and Judges initial and recurrent training.

The current composition of the Committee is:

Randy Holmes, Chair

Neil McGrath

Rina Gallo

Vera Asquith

During the last 12 months, the Committee has:

- Completed the annual update of the Competition Rules (PIM 4B) in the following disciplines:
  - Accuracy Landing,
  - Freefall Style,
  - Formation Skydiving,
  - Canopy Formation,
  - Artistic Events,
  - Canopy Piloting,
  - Wingsuit Flying.
- Completed an update to the Level I Judges Training course.
- Conducted the 2019 National Judges Seminar in Toronto 22-24 March.
- Conducted the 2020 National Judges Seminar in Edmonton 4-5 March.

Both seminars were preceded by a Judging Committee meeting.

Implementation of a project to make all written judge rating exams available on-line has been paused while we examine the projected throughput of candidates and determine an optimal delivery method given the financial pressures in the CSPA. The exams have been evaluated and required changes have been identified. We need to identify someone with the skill set to do the implementation.

Administration of Judges ratings is being performed by the committee chair and will continue for the foreseeable future.

On behalf of the committee members and all the judges I would like to formally congratulate Rina Gallo for her selection and appointment as Vice President on the Bureau of the International Skydiving Commission.

I would also like to thank Doreen West-Gemmell for her outstanding contribution and exceptional support to the Judging Committee since its inception in 2014.

It is an honor and privilege to work with such a group of competent, hard working and dedicated volunteers.

Randy Holmes  
Chair
