**TECHNICAL BULLETIN # 114**  
**6 January 2018**

**Item #1 Aerodyne Service bulletin SB121817**

Aerodyne has issued a service bulletin to address recent issues with their semi-stowless deployment bags.

**Actions to be taken:** To all packers, riggers and owners please review the service bulletin and ensure the deployment bag has the proper modification completed. Modifications can be identified by a red webbing stow pocket IAW SB 121817.
